QUIETFORM™

BY ACOUFELT

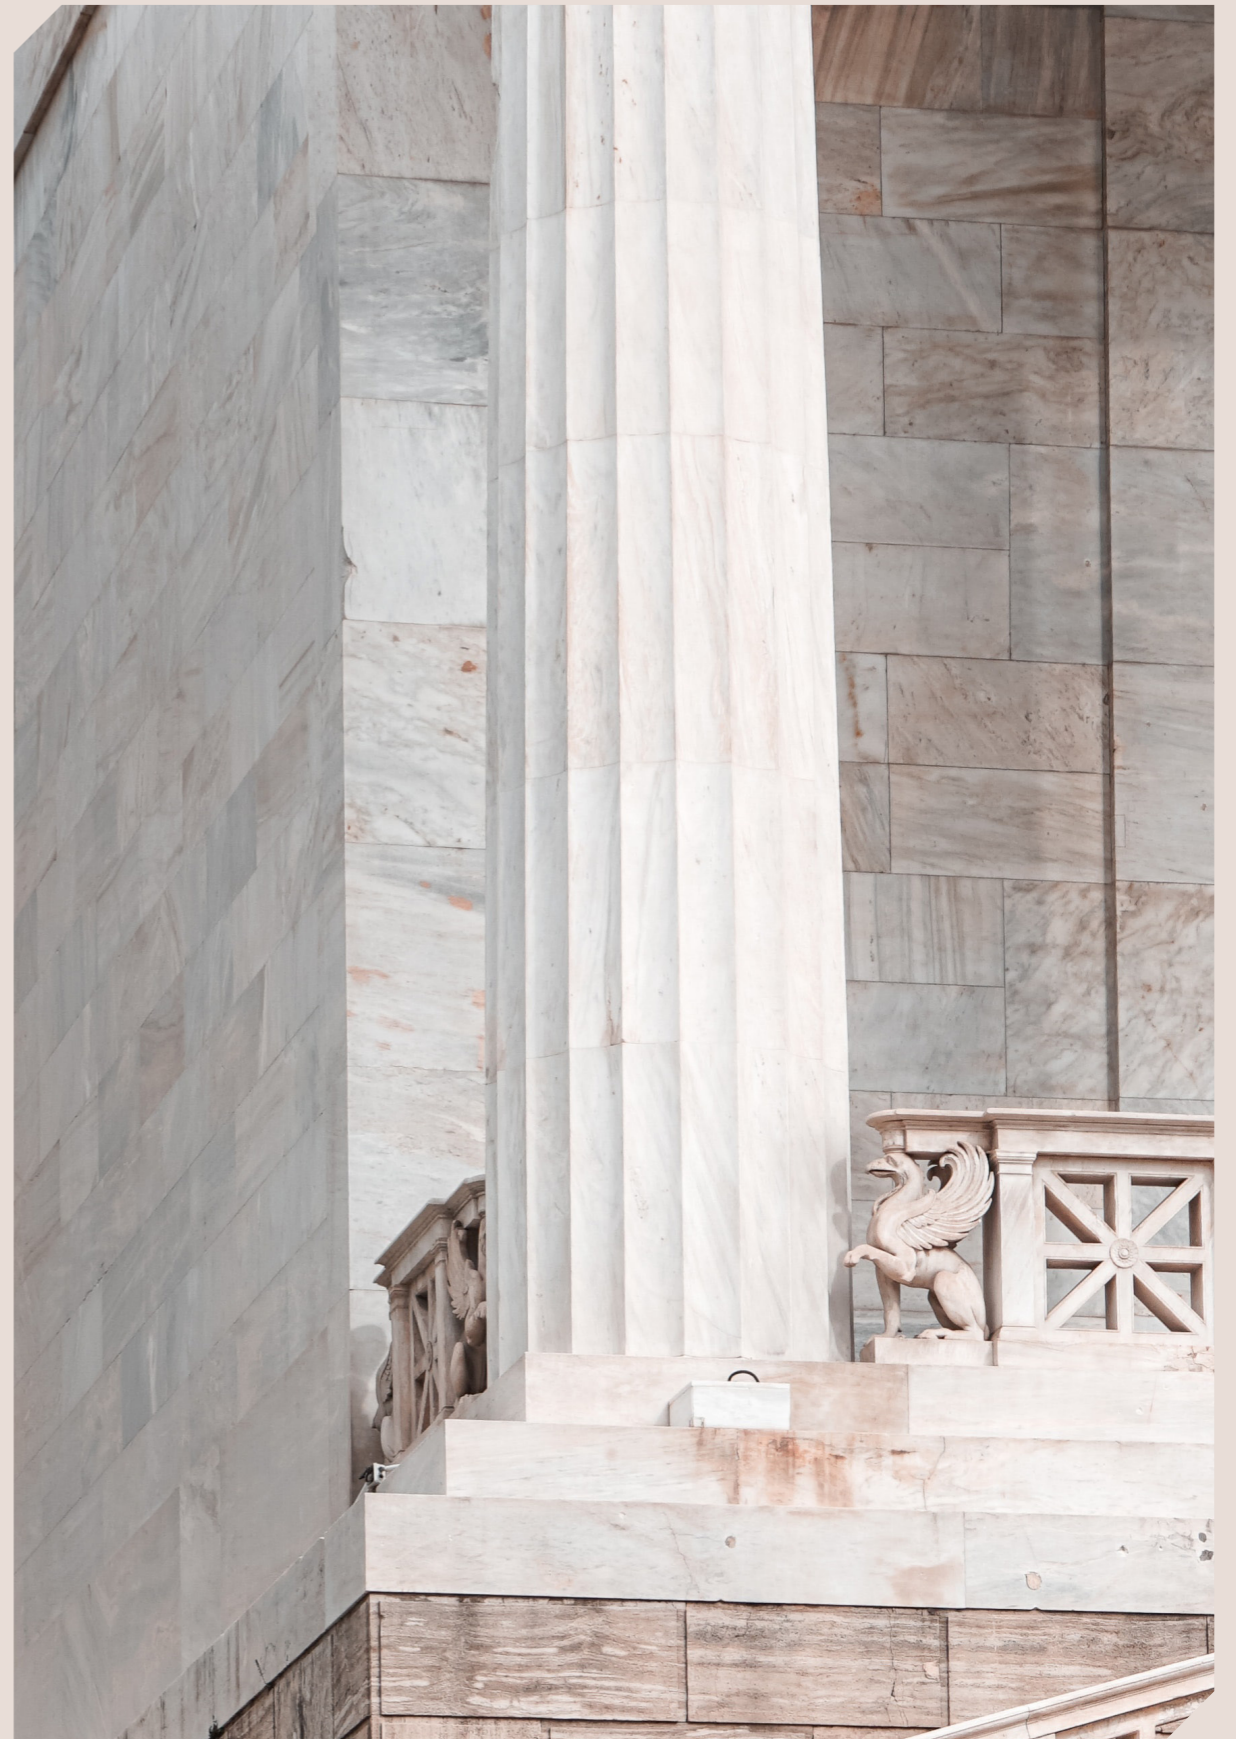

QuietForm™ Tiles and Panels represent Acoufelt's first foray into debossed acoustic products, presenting an avant-garde fusion of form and function.

These tiles and panels, when installed side-by-side, yield a three-dimensional wall finish that pushes the boundaries of traditional acoustic solutions.

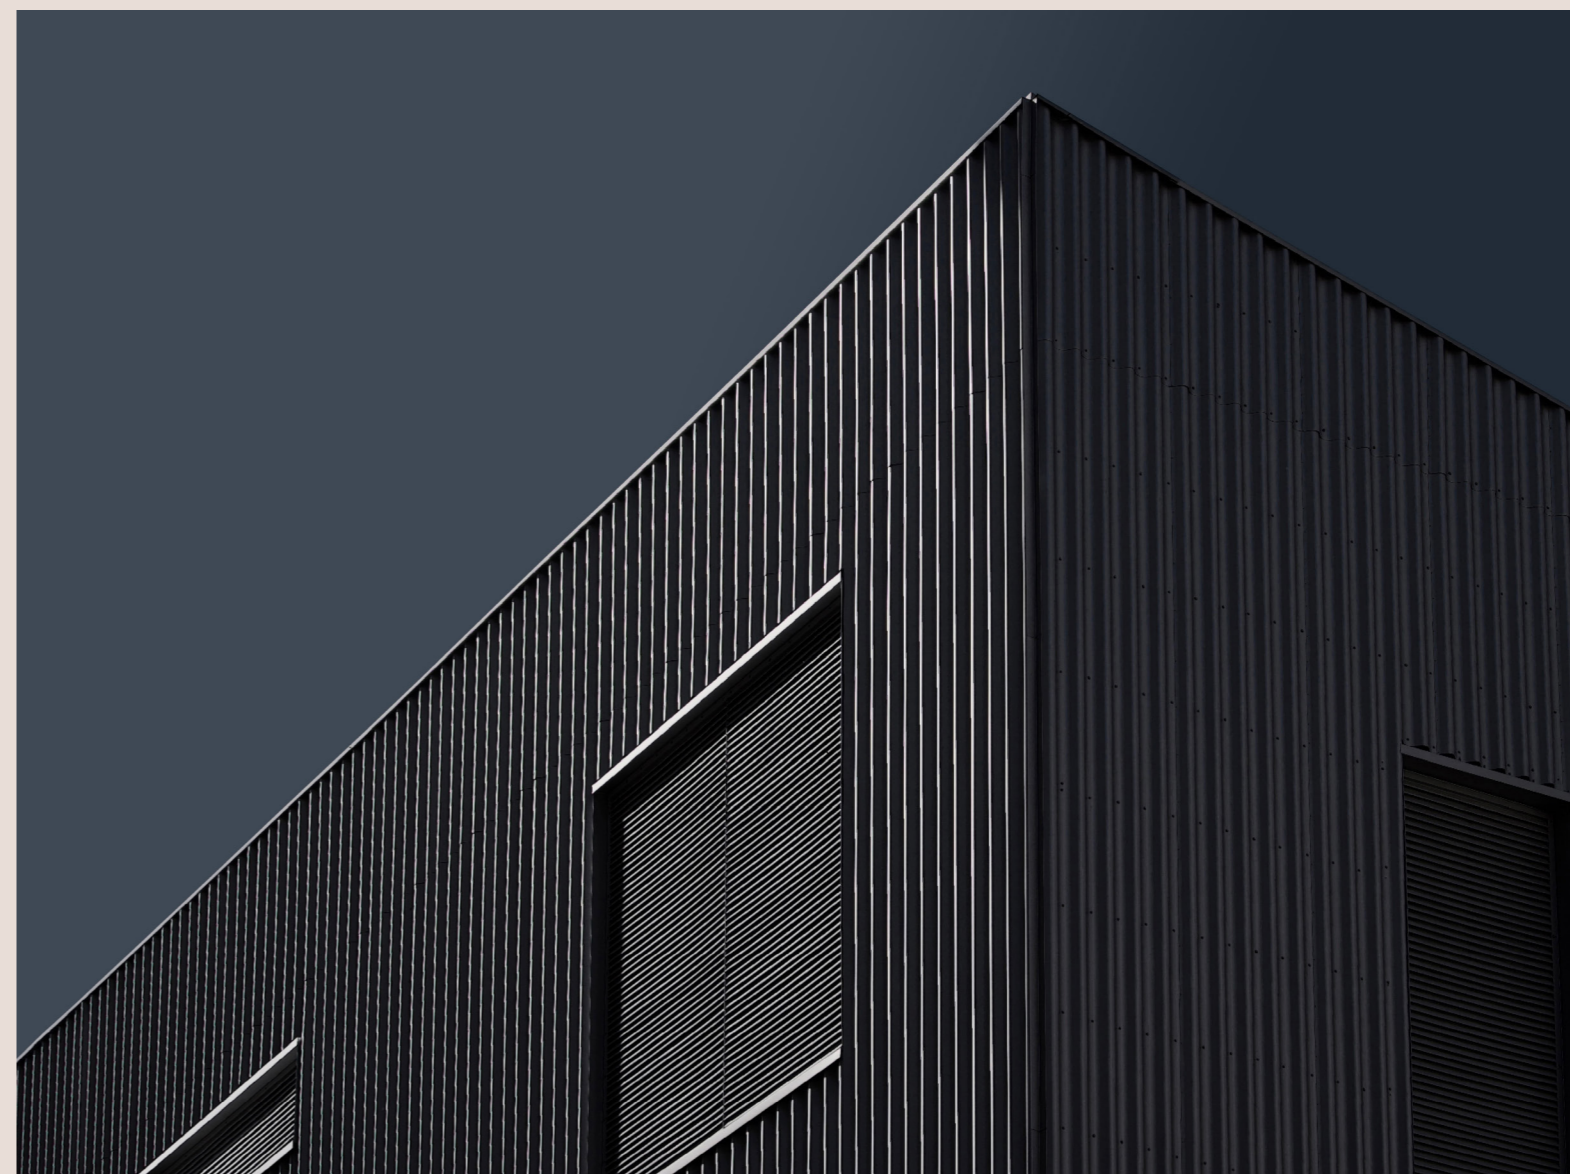

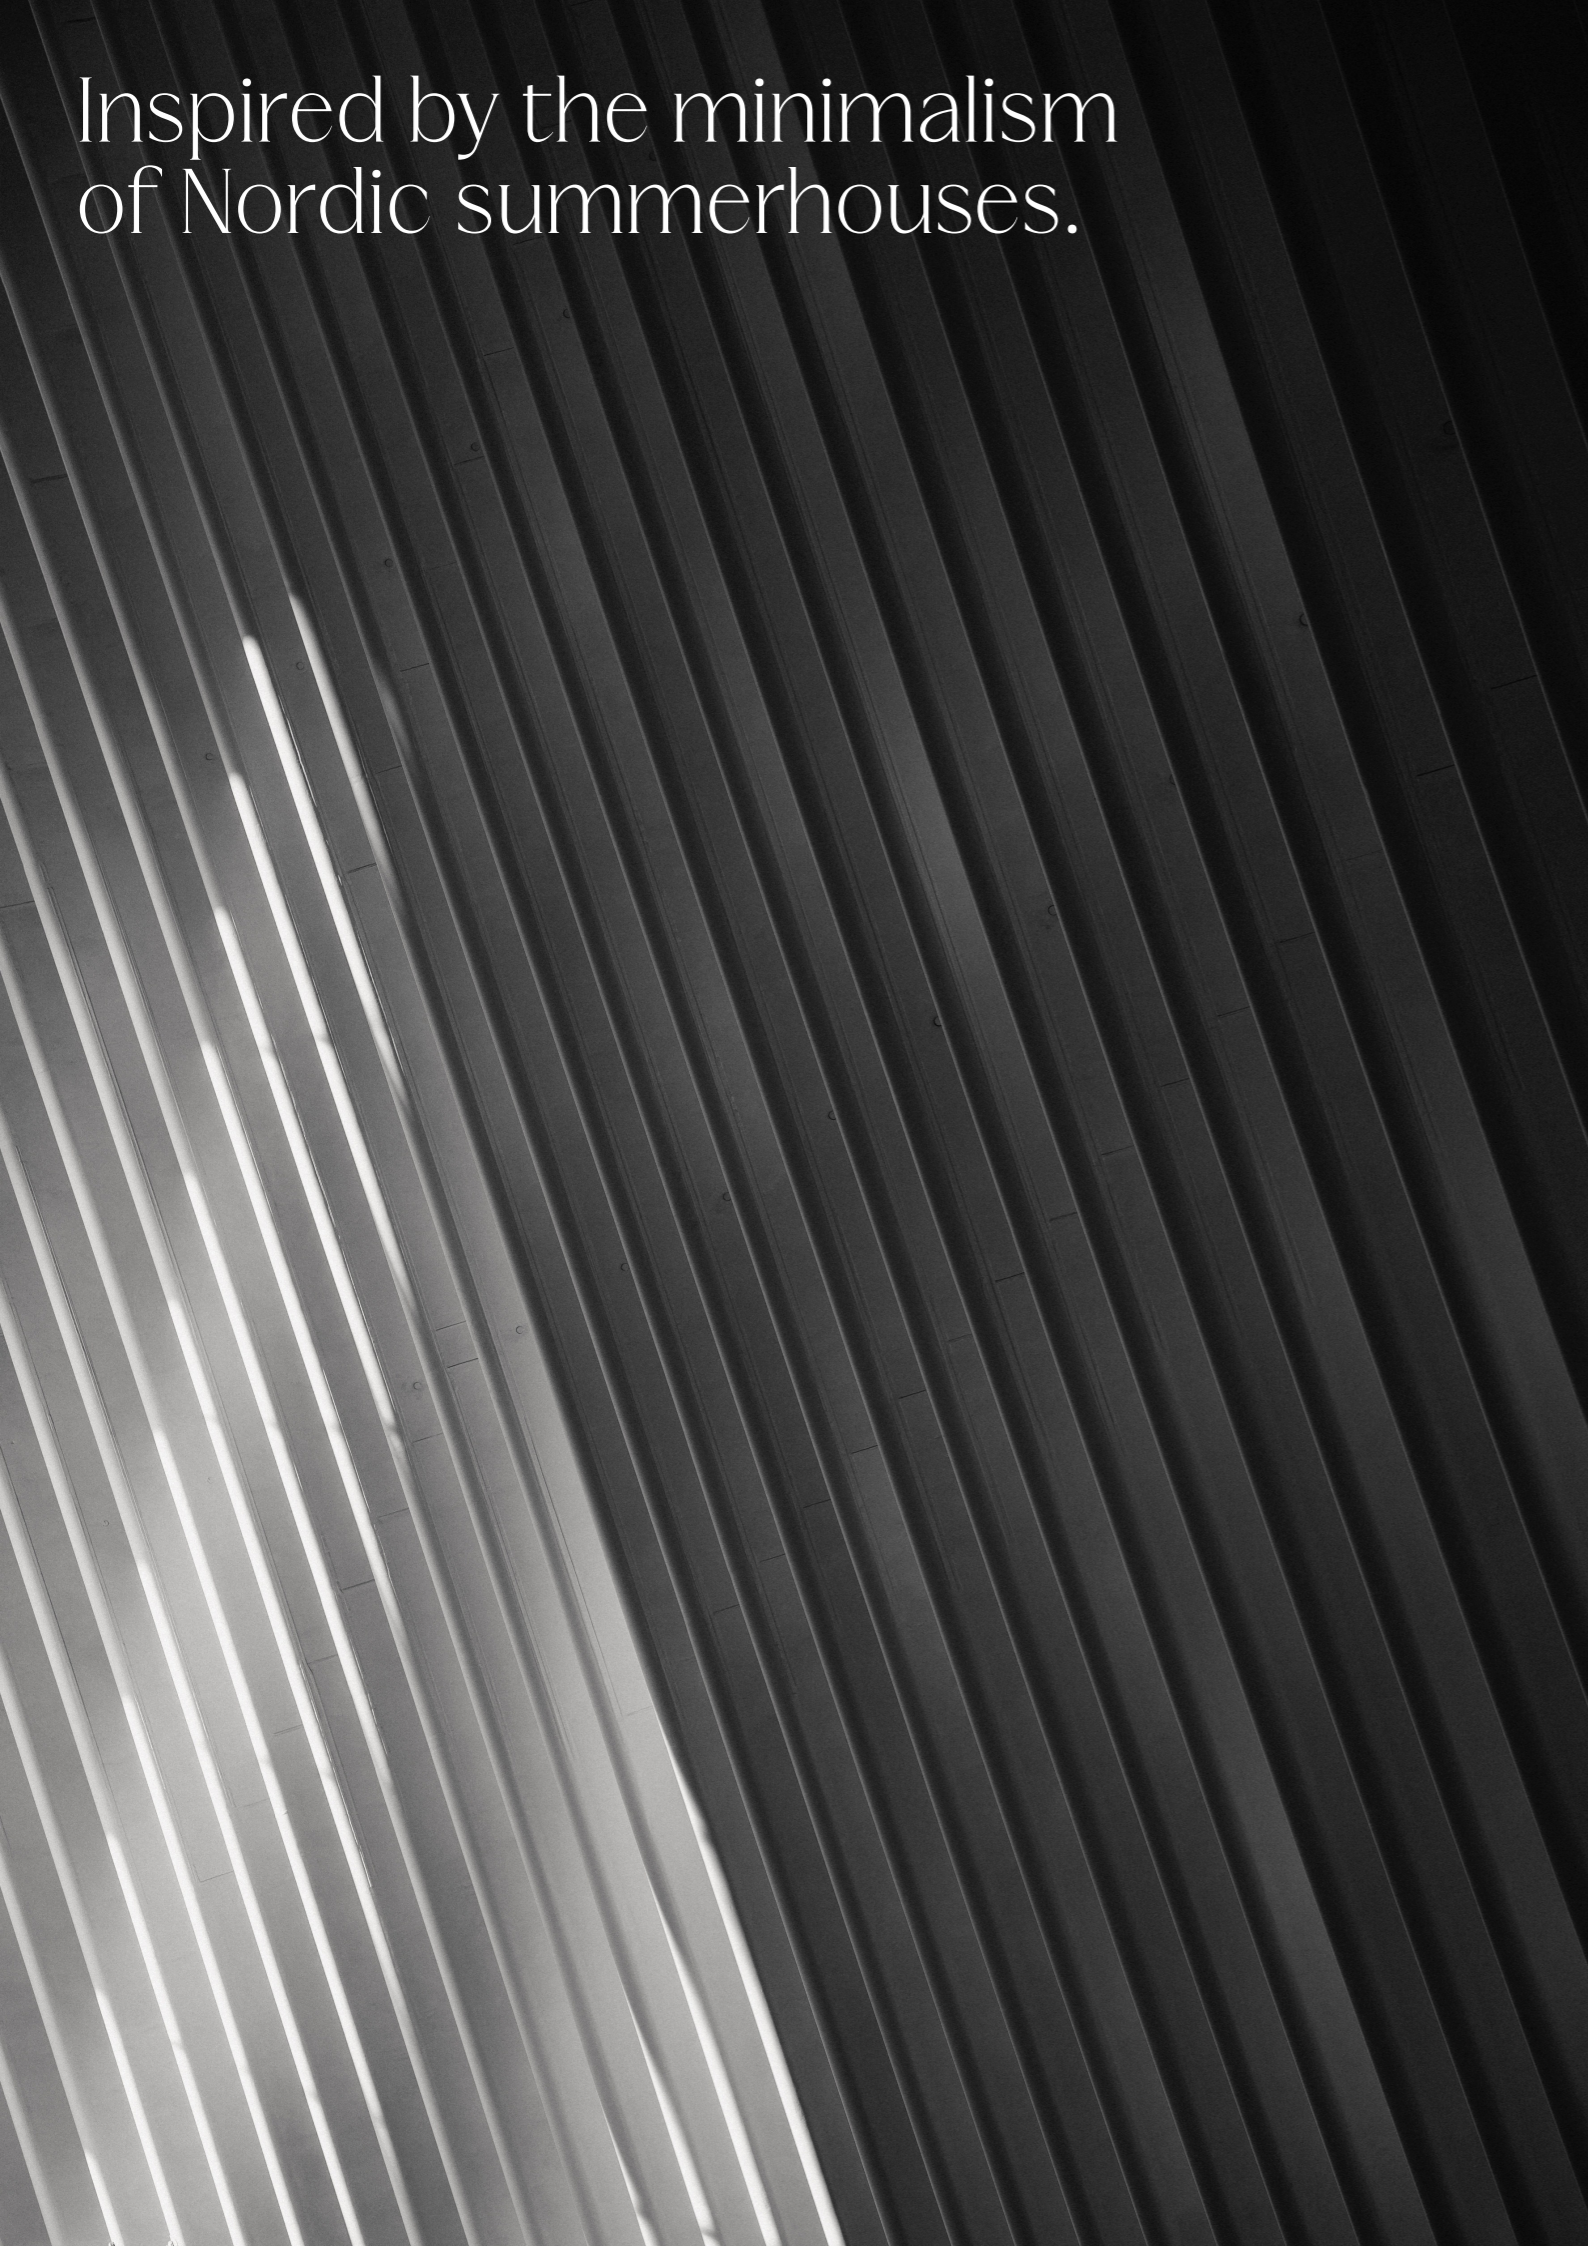

SIX TIMELESS PATTERNS

Drawing inspiration from the captivating essence of timeless architecture, Acoufelt introduces six QuietForm™ patterns that pay homage to the grandeur of history's most iconic structures.

The undulating corrugated iron roofs of Nordic summerhouses is replicated in '**Celestial**', the opulent geometry and aerodynamic curves of the Art Deco movement visible in '**Eclipse**', the organic and weather-worn layered stone of ancient Egyptian pyramids visually articulated in '**Dune**', the neat linework and triangular, tiled roofs of Japanese temples reproduced in '**Spatial**', the symmetrical, rippled indents of ancient Greek columns come to life in '**Pole**' and the classical arches of ancient Roman architecture are poignant in '**Pillar**'.

Inspired by the minimalism
of Nordic summerhouses.

The undulating corrugated iron exteriors of Nordic summerhouses is replicated in 'Celestial'.

CELESTIAL

Inspired by the
splendor of Art
Deco skyscrapers.

ECLIPSE

The opulent geometry and aerodynamic curves of Art Deco motifs visible in 'Eclipse'.

Inspired by the
mystique of
Egyptian pyramids.

DUNE

The organic and weather-worn layered stone of ancient Egyptian pyramids visually articulated in 'Dune'.

Inspired by
the serenity of
Japanese temples.

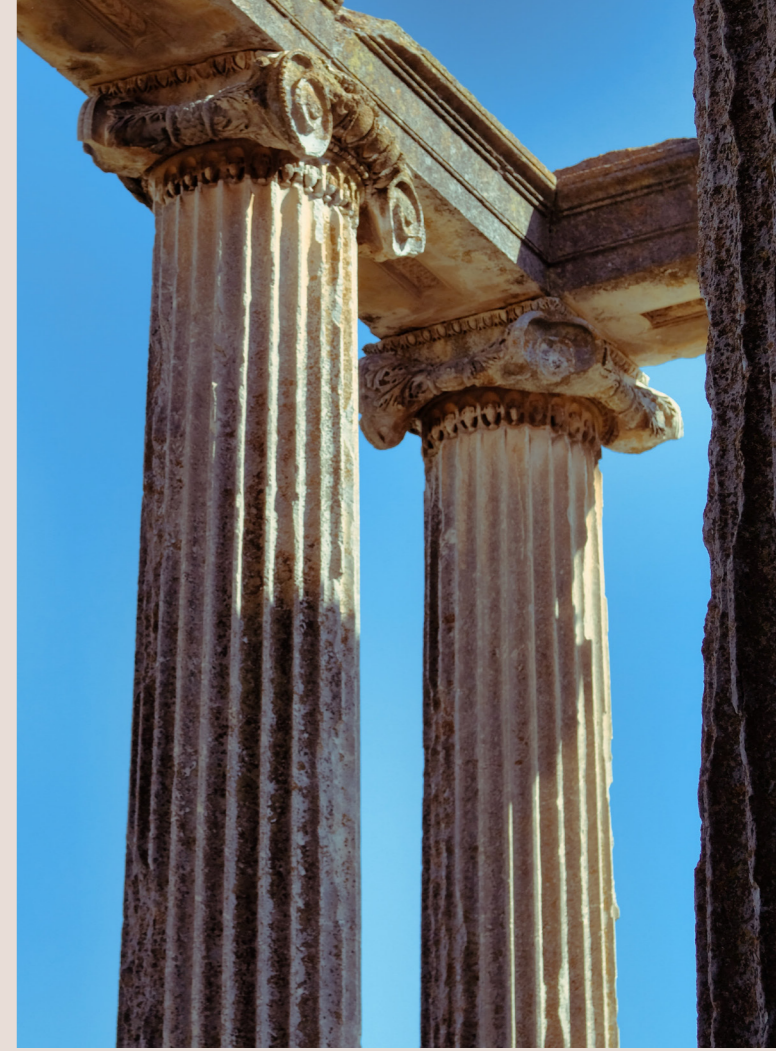

SPATIAL

The neat linework and triangular, tiled roofs of Japanese temples reproduced in 'Spatial'.

Inspired by the
magnificence of
Ancient Greek columns.

The symmetrical, rippled indents of Ancient Greek columns come to life in 'Pole'.

POLE

Inspired by the allure
of Roman arches.

PILLAR

The classical arches of Ancient Roman architecture are poignant in 'Pillar'.

SPECIFICATIONS

Product & Technical Data

Material	FilaSorb™
Composition	100% polyester
Recycled content	60% min
Dimensions	Tile – 600 x 600mm Panel – 1200 x 2800mm
Thickness	12mm with a depth of 7.5mm +/- 10%
Fire rating	AS/ISO 9705.1, Group 1 ASTM E84-17a, Class A EN 13501-1:2019, B-s1, d0
NRC rating	0.45 (no air gap) 0.60 (20mm air gap) 0.75 (50mm air gap)

Sustainability

Made from 60% min. recycled content

Red List Free Declare Label (3rd Party Verified)

Generated using 40% solar energy

Total VOC's less than 0.5 mg/m3 (3rd Party Verified)

Recyclable at end-of-life

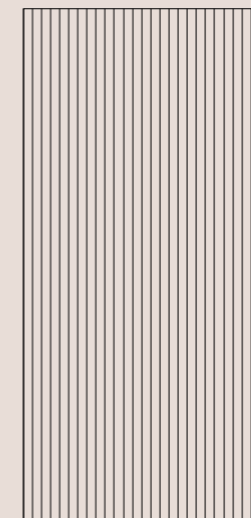

Phenol & formaldehyde free

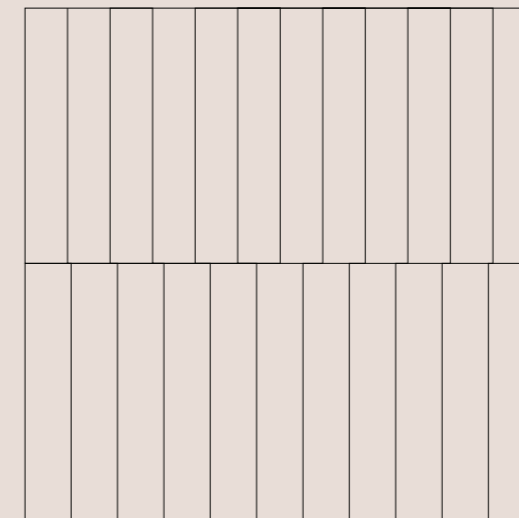

Declare.
